**Originated by Michael Harner, this is a Foundation for Shamanic Studies
advanced workshop.**

Prerequisite: The Way of the Shaman - The Shamanic Journey, Power & Healing with authorized Foundation for Shamanic Studies faculty member.

This unique and experiential workshop explores the nature, meaning, and use of dreams and dreamwork practices among shamanic peoples. Researched and developed by Michael Harner, subjects to be covered include shamanic dream theory and big dreams, as well as dreams and the soul, spirits, shamanic journeys, the Dreamtime, and the vision quest. Participants have the opportunity to apply the knowledge to contemporary life, including the use of dreams in divination, health, and healing.

Participants in this workshop should bring a notebook and pen to record your experiences, a bandanna or eye mask to cover your eyes, and a drum or rattle if you have one.

This workshop may also be found listed in the FSS calendar on the FSS web site (www.shamanism.org), and on Down to Earth's web site (www.shamanscircle.com).

Nan P. Moss is a Certified Harner Method Shamanic Counselors and senior faculty member of the Foundation for Shamanic Studies.

David Perry has practiced shamanism for over twenty years and has taught workshops for the Foundation for Shamanic Studies, Down to Earth, and independently.
